

DSCF30/50/60/80-EL CE Certified Electric Storage Water Heater

Introduction of China Tank Storage Water Geyser

This CE certified electric storage water heater is vertical and designed for household use.

Capacity: 30L, 50L, 60L and 80L

Features of China Tank Storage Water Geyser

- 

Model: EL

 1. The inner tank is made of magnesium rod and enamel which can protect from corrosion.
 2. It adopts stainless steel heating pipe with high power of 2.0 kW.
 3. There are heat waters with powers of 500W, 1500W and 2000W for you to choose from.
 4. CE certified electric storage water heater is with precise temperature controller and durable metal outer casing.
 5. It can protect against overheat, electric leakage and heating without water.
 6. Super slim electric water heaters are with CE.

Diameter of China Tank Storage Water Geyser

Technical specification of CE Certified Electric Storage Water Heater

Rated Voltage:	220-240V, 110-120V
Rated Frequency:	50Hz/60Hz
Rated Power:	500W, 1500W, 2000W
Adjustable Water Temperature	Ambient to 75℃
Rated Pressure	0.7Mpa
Water Proof Degree	IPX4
