

## HQ5B80BAEXA

### Stainless steel built-in gas stove

#### Features:

1. Unique internal combustion technology enables heat efficiency reaches 52%.
2. Built in tempered glass gas hob is fully sealed, which is safe and with high efficiency.
3. Three circles fire for choice.
4. Whirl fire with powerful center fire and even heating.
5. You can adjust the fire in an exact way.

#### Specifications

Type	HQ5B80BAEXA
Imported SABAF burner power KW	3.5 3.0 2X1.75 1
仿 SABAF 燃烧器功率 kW Imitated SABAF burner power kW	3.3 2.5 2x1.5 1
Panel material specifications	SUS201/0.7
Pot holder	Q235/ matte enamel
Voltage	110V 、 220V 、 1.5V
Fire failure protection	Yes
Hole dimension	825X465
Product dimension	860X500X100
Package size	920X555X165
Net weight	12.5
Gross weight	14
